INFORMATION REGARDING WEEKEND SESSIONS
Weekend sessions start on Friday afternoon at 1PM. Saturday and Sunday sessions run from 8AM-5PM. With advanced notice we can accommodate some flexibility with Friday start time and Sunday end time due to travel. Denver International Airport is approximately 25-30 minutes from campus.

INFORMATION REGARDING VIRTUAL ROUNDS

Although students are register and billed for Virtual Rounds in each 8 week 2 term, students have access to the online Virtual Round courses and participate during the entire program.

INFORMATION REGARDING CLINCIAL PRACTICUM COURSE

Registration for the practicum course (1:1 mentor hours) occurs in the term when the practicum is completed and is therefore variable. The tuition for this 3 semester hour course is charged once during the program. The total program is 18 semester hours.

***Note**: All courses are tentative and subject to change up until the day that registration opens for the given term.*
