Please respond to the following prompts by using a Word file, and then attach your short essays – one or two paragraphs each – to the application. Since there are only 36 spaces available in the Honors Program, full consideration will be given to all applications received by April 1st. However, if you are interested in being considered for one of our Honors Scholarships ($5,000 per year, renewable for 4 years, stacked on top of other merit financial awards such as a Board of Trustees Scholarship, up to the value of full tuition), then fill the application out TODAY! Although full scholarship consideration will be given to all students who have been accepted by Regis University and who submit the Honors Program Application by April 1, 2013, we will review scholarship applications in two cycles: one including all applications received by March 1, 2013, the second that includes all applications received by April 1st.
