## ACADEMIC SUCCESS AND YOUR ACADEMIC SUCCESS COACH

### 1. **DON'T BE AFRAID TO ASK**

Academic Success Coaches are here to help you succeed and can't help if they don't know what's going on.

### 2. **CHECK YOUR REGIS EMAIL**

Your Coach will send out important emails about registration, academic tools available to you and other helpful resources.

### 3. **PARTICIPATE IN ORIENTATION**

New student orientation will familiarize you with helpful tools and services while coaches are ready to answer any questions you have along the way.

### 4. **SCHEDULE A MEETING**

Your coach will reach out for an initial advising meeting, but follow-up meetings during the semester can help you stay on track for graduation.

**NEED HELP?** Academic Success Coaches are here to help you accomplish your goals as a student and member of the Regis community.
