

## Overlapping Loan Clearance Letter

Student Name: \_\_\_\_\_ SSN XXX-XX: \_\_\_\_\_

In order to accurately determine your Pell Grant and/or Federal Direct Subsidized/Unsubsidized loan eligibility with Regis University, we are required to review your financial aid history with the National Student Loan Data System (NSLDS). It appears you have active Pell grant and/or federal student loans within the same loan period as Regis University. The following information must be obtained from your previous school.

If you have already received aid for the current semester, it may be necessary for our office to reduce already disbursed aid and you will be responsible for amounts owed to Regis University. If you have not received aid for the current term at Regis University, the information provided on this letter will allow our office to accurately package your financial aid eligibility.
