

April 2008

**Arapahoe Community College Visit Regis' School of Computing**

A team from Arapahoe Community College (ACC) led by Dr. Janna Oakes, Interim Dean of Business and Professional Services, visited the School of Computer & Information Sciences (SCIS) on April 4<sup>th</sup> 2008. The discussions focused on strengthening the relationship between the two schools through the development of an articulation agreement that provides seamless transfer between the ACC technical degrees and SCIS degrees.
