

International Exception Payment Policy

International students are required by law to financially support all expenses associated with studying in the United States. Please read the following information. If you have questions call 303-458-4126 or 1-800-568-8932.

By signing the International Exception Payment Policy form and adhering to its payment policy, non-resident aliens may register for courses at any time and pay for courses by the tuition due date. Students are classified as International if they hold citizenship in a country other than the United States and/or have a temporary visa. **Payment is due by the end of the first week of the academic period. Personal Deferment is not an option for non-resident alien students.**

A **Non-resident Alien** is a person who is not a citizen or national of the United States and/or who is in this country on a temporary basis and does not have the right to remain indefinitely.

A **Permanent Resident** or **Resident Alien** is not a citizen or national of the United States, but has been lawfully admitted for permanent residency (and holds an Alien Registration card).
