

## BACHELOR OF SCIENCE IN PUBLIC ADMINISTRATION DEGREE PROGRAM

Seize the opportunity to become an innovative leader in public service. At Regis, students advance the concept of “the public good,” learn to analyze the strengths and weaknesses of public policies, consider the interests of stakeholders and influence those who make public policy happen. Graduates will learn the value of building public/private partnerships as the creative way to deliver public service. This comprehensive, accelerated program is taught by professionals with public, private and nonprofit sector experience who will bridge the gap between theory and practical application.
