Description of Placement and Population Served: Outpatient and Intensive outpatient substance abuse treatment. Male and female adults over the age of 18 with an identified substance abuse problem. Most clients have other process addictions and co-occurring disorders. Mostly indigent: self-referred, the rest social services and probation referred clients. Long-term clients (seen for several years if necessary). All clients required to have individual counselor and participate in a minimum of one group/per week. Site offers 16 groups per week in the area of addictions. Student would co-facilitate with a licensed therapist or certified CAC. Some of the groups are closed process groups, some are open process and psychoeducational.
