- DPT 742T Management of Cervical Thoracic Disorder (3 Semester Hours)
  [On campus weekend: Friday (starting 1PM (MST), July 28 - Sunday, July 30]
- DPT 785T Virtual Rounds II (1 Semester Hour)

DPT 790T Clinical Fellowship Practicum (3 Semester Hours) (Variable)

INFORMATION REGARDING WEEKEND SESSIONS
Weekend sessions start on Friday afternoon at 1PM and end around 6PM. Saturday and Sunday sessions run from 8AM-5PM. With advanced notice we can accommodate some flexibility with Friday start time and Sunday end time due to travel. Denver International Airport is approximately 25-30 minutes from campus.

INFORMATION REGARDING VIRTUAL ROUNDS
Although students register and are billed for Virtual Rounds in each 8 week 2 term, students have access to the online Virtual Round courses and participate during the entire program.

INFORMATION REGARDING CLINICAL PRACTICUM COURSE
Registration for the practicum course DPT 790T (1:1 mentor hours) occurs in the term when the practicum is completed and is therefore variable.

Tuition rate is $545 per semester hour for Fall 2016-Summer 2017. You are billed at the start of each course for hours registered; therefore, going at a slower pace will spread out your tuition payments. The total program is 18 semester hours. Tuition typically increases 1-4% each fall.

Note: All courses are tentative and subject to change up until the day that registration opens for the given term.
