- **Application Materials**: All official transcripts, Essay, Resume, 2 professional recommendations
- **Application Fee**: $45
- **Tuition**: $765/credit ($17,260/semester
- **Credits**: 60 (total degree 128 semester hours which includes all pre-requisite coursework and credit)
- **Lab Fee**: $400 total
- **Books**: Approximately: $3,000 (Book Bundle plus additional)
- **Number of Background Checks/Drug Screens**: 2 Required ($60.00 each time)
- **Laptops**: Required

**TRADITIONAL BSN**
- **Program Start**: Fall Semester
- **Application Deadline**: January 15th
- **Number of Students Accepted**: 48 (January)
- **Number of Applications**: 150-250 (January)
- **Minimum GPA**: 2.5 minimum
- **Average GPA of Accepted Students**: 3.5 cumulative
- **Number of Clinical Hours Required**: 765 (primarily completed on Wednesday/Thursday/Friday)
- **Program Length**: 4 semesters/2 years
- **Course Format**: 8 weeks Class 8:00-3:00, Clinical (W/TH/F)
- **Clinical Start**: Rotations start in your first semester
- **Application Materials**: All official transcripts, Essay, Resume, 2 professional recommendations
- **Application Fee**: $45
- **Tuition**: $735/credit ($44,100)
- **Credits**: 60 (total degree 128 semester hours which includes all pre-requisite coursework and credit)
- **Lab Fee**: $200/year
- **Books**: Approximately: $3,000 (Book Bundle plus additional)
- **Number of Background Checks/Drug Screens**: 2 Required ($60.00 each time)
- **Laptops**: Required

**CHOICE BSN**
- **Program Start**: Fall Semester
- **Application Deadline**: January 15th
- **Number of Students Accepted**: 24
- **Number of Applications**: 100
- **Minimum GPA**: 2.5 minimum
- **Average GPA of Accepted Students**: 3.5 cumulative
- **Number of Clinical Hours Required**: 765 (primarily completed on weekends)
- **Program Length**: 6 semesters/2 years
- **Course Format**: 8 weeks Class 2 evenings (T/TH), Clinical weekends
- **Clinical Start**: Rotations start in your first semester
- **Application Materials**: All official transcripts, Essay, Resume, 2 professional recommendations
- **Application Fee**: $45
- **Tuition**: $735/credit
- **Credits**: 60 (total degree 128 semester hours which includes all pre-requisite coursework and credit)
- **Lab Fee**: $200/year
- **Books**: Approximately: $3,000 (Book Bundle plus additional)
- **Number of Background Checks/Drug Screens**: 3 Required ($60.00 each time)
- **Laptops**: Required

**ONSITE CHOICE BSN**
- **Program Start**: Spring 2017 – location TBD
- **Application Deadline**: January 15th
- **Number of Students Accepted**: 24
- **Number of Applications**: 60
- **Minimum GPA**: 2.5 minimum
- **Average GPA of Accepted Students**: 3.5 cumulative
- **Number of Clinical Hours Required**: 765 (primarily completed on weekends)
- **Program Length**: 6 semesters/2 years
- **Course Format**: 8 weeks Class 2 evenings (T/TH), Clinical weekends
- **Clinical Start**: Rotations start in your first semester
- **Application Materials**: All official transcripts, Essay, Resume, 2 professional recommendations

CLINICAL INFORMATION

Schedule:
The schedule will be posted on our New Students Resource’s website for accepted students. You will not know your specific clinical schedule until a few weeks before each rotation. Regis University uses a bidding system for clinical placement so you will rank your choices from the available options and then the clinical placement team will assign you to your rotation.

ACCELERATED BSN

Competitive Application:
As for competitive applications for the ABSN program, we are looking at academic history, letters of recommendation, personal statements, and health care/volunteer experience. We place the most amount of weight on academic history; your cumulative GPA will include all college level courses and your science GPA will be calculated from the four science prerequisite courses. For the science GPA we will use the highest grade earned for each course in our calculation (both grades will be used in the cumulative GPA calculation).

Application Deadlines: June 15th and September 15th:
We recommend that applicants submit their application early since it does take NursingCAS a few weeks to process your documents and verify your application, but you have until the application deadline to submit (June 15th and September 15th).

GENERAL QUESTIONS:

Shadowing a Current Student?
Due to the speed of the program, we do not schedule prospective students to shadow current students or attend a class. If you are interested in visiting campus, we’d like to invite you to attend an Information Session. We offer sessions twice a month; on the 2nd Tuesday at noon and the 4th Tuesday at 5:30pm. We discuss the three programs, requirements, application process, as well as answer questions at each session. Attending an information session is also a great way to see the campus. Please visit events.regis.edu/ infosession to RSVP. Please visit regis.edu/healthcare and click on “Attending An Information Session” for the room location and to receive directions to our campus.

Health Care Ethics:
When evaluating Ethics course equivalents, we are looking for something that is specific to health care settings and examines ethical dilemmas in health care and the decision making processes involved in clinical, professional and organizational ethics. It should explore philosophical and possibly faith-based foundations including moral tradition, socio-cultural influences, professional codes, organizational and personal ethical norms. Case studies and topics should be analyzed to develop competence in moral reflection and ethical decision making with consideration of personal, professional and societal values.
