Graduate council

Graduate council is an interdisciplinary club on campus that involves pharmacy, physical therapy, and biomedical science masters students. There is generally one representative from each class within the schools. Graduate council helps to find and run student events both on and off campus. Our goal is to help foster friendships between schools and help each other better understand our individual professions and life goals. Examples of events and items that are conducted or provided by graduate council include trivia nights, pub nights, kickball, Nuggets tickets, and on campus play tickets. Meetings are every other Thursday at about 5:30pm and include food 95% of the time.
