Student Society of Health-System Pharmacy (RUSSHP)

The mission of American Society of Health-System Pharmacists (ASHP) is to advance and support the professional practice of pharmacists in hospitals and health systems and serve as their collective voice on issues related to medication use and public health. The SSHP at Regis University is aligned with the national mission and enacts the initiatives within the School of Pharmacy and local community. As a part of the SSHP’s goals and ASHP recognition requirements, students promote active membership, coordinate at least two events featuring health-system speakers, coordinate an informational session on residency training, participate in one project that is related to the ASHP Leadership Agenda, and participate in one project that is related to ASHP’s Pharmacy Practice Model Initiative. In addition, students plan and develop a school-level Clinical Skills Competition. For more information: <http://www.ashp.org/menu/InformationFor/PharmacyStudents.aspx>.
