WHAT IS ASL?

Alpha Sigma Lambda's aim is to recognize the special achievements of adults who accomplish academic excellence while facing competing interests of home and work.

Alpha Sigma Lambda is dedicated to the advancement of scholarship and recognizes high scholastic achievement in an adult student's career. By so doing, this Society encourages many students to continue toward and to earn associate and baccalaureate degrees. Through leadership born of effort, both scholastically and fraternally, Alpha Sigma Lambda inspires its candidates to give of their strengths to their fellow students and communities through their academic achievements.

To the newcomer in higher education, Alpha Sigma Lambda stands as an inspiration to scholastic growth and an invitation to associate with similarly motivated students.
