B Net Balance is what you owe after total credits are applied.
C Explanation of Charges shows the term, registered courses, charges and fees.
D Due dates.

A Registration Invoice packet is mailed to you BEFORE THE BEGINNING OF A SEMESTER and is always available on Web Advisor. On the back, your invoice will show financial aid and your class schedule. If “FINANCIAL AID INCOMPLETE” is shown, check your account on WebAdvisor and complete your paperwork.
The Student Accounts office on the fourth floor of Main Hall has information on paying tuition and fees, payment methods, and payment options. Our goal is to make the process easy and understandable.

**Paying on Time**

Full payment of your student account balance is due by the posted due date. The due date for the fall semester is Aug. 1; the deadline for the spring semester is Jan. 1. A $300 late fee will be assessed if payment arrangements are not made by the due date. Future registration and transcript and diploma release are restricted until financial obligations are paid in full.

Failure to make a payment on a delinquent account will result in collection action and possible drop of registration. Students are obligated to reimburse the University for all expenses incurred via collection, including but not limited to collection fees, court fees, attorney fees, administrative fees and other charges.

**Regis Payment Option**

We offer an interest-free Regis Payment Option (RPO) to Regis College students. The plan spreads the semester tuition expenses over four, five or six monthly payments. An RPO application must be submitted each semester. Enrollment in the RPO requires a non-refundable $50 fee. Interest charges will not be assessed. A $15 late fee will be applied for each late monthly payment.

RPO applications are mailed with your initial bill and are also available at Regis.edu/studentaccounts. To pay via WebAdvisor, select “Make a Payment” then “Pay on my Regis Payment Option.”

**Student Accounts Office**

The Student Accounts office on the fourth floor of Main Hall has information on paying tuition and fees, payment methods, and payment options. Our goal is to make the process easy and understandable.
IF YOU'RE HAVING TROUBLE PAYING

We understand students sometimes cannot meet their financial obligations. Contact the Student Accounts office and we will work with you to set up a payment agreement.

REFUNDS

FINANCIAL AID: Financial aid, including scholarships and loans, are automatically applied to your student account. If there are funds in excess of tuition and fees, a refund check will be mailed within 14 days of disbursement, or you may request Direct Deposit. To do so, log into WebAdvisor, click on the Students menu, and select Direct Deposit.

OTHER REFUNDS: If a valid credit balance exists because of a class withdrawal or adjustments and overpayments, a refund may be generated. If you paid by credit card, the refund will go back to that card. Refunds may also be made through Direct Deposit or a check. If you would like a credit balance to be held in your account, complete the Credit Balance Hold form in the Publications section of the Student Accounts web site.
