VOLUNTEERS WANTED FOR A RESEARCH STUDY

STUDY TITLE
Are you over the age of 18 and currently working in the education field? We are conducting a research study about job satisfaction in Education and looking for your input! (Summarize the purpose of the research and procedures. Explain the length of time it will take to complete the study and who you are looking for, e.g. Regis students age 18 and older. The ad must include the word “research.”)

Include any risks or benefits, if applicable.

List compensation, if any, but do not emphasize it (e.g., Participants will receive $10 for completing a survey.) DO NOT underline, bold, use all caps, exclamation points or large font in the statement regarding compensation.

This research is conducted under the direction of <<Insert Name>>, Communication Department.
