

## UNIVERSITY VISION AND CORE VALUES: April 4 Draft

**Vision Statement:** *Regis University will be a premier, globally-engaged institution of higher learning in the Jesuit tradition that prepares leaders to live productive lives of faith, meaning, and service.*

### **Core Values:**

**A Shared commitment** to our **Jesuit, Catholic Tradition**, which values the liberal arts and academic rigor as the foundation of all education and professions, and that honors faith, reason, and academic freedom in the search for truth, knowledge, and wisdom;

**Transformation of learners through Experience, Reflection, and Action in the context of Creativity and Discernment**, affecting all facets of the human person—intellectually, spiritually, socially, ethically, and physically;

**An Inclusive and Welcoming Learning Community** that mirrors the world; transcends the interests of particular individuals or groups; values reasoned, respectful discourse in decision making; promotes the free exchange of ideas; and respects the contributions and views of others;

**A Commitment to Justice and the Common Good**, that demonstrates an unwavering belief in human dignity, examines our relationships with all of God's creation, and forms globally-informed students who will "move the world" as leaders in the service of others;

**Careful Stewardship** of our mission, our community, and our resources in order to build a sustainable future for the University;
