

*Outdoor Adventure Program (OAP) rents out gear to Regis University students on a first come basis after OAP scheduled trip needs are met. Faculty and staff may rent equipment for University sponsored trips with students.*

*Renter acknowledges that: there will be no food (even gum, snacks, or drinks), toiletries or smoking in tents. All equipment for camping trips with the exception of tents and dining canopies will be locked in a vehicle when the renter is not at the campsite (except when on backpacking trips). OAP does not promise that any equipment will work as intended (tents and dry bags may leak, for example). The renter is responsible for knowing how to properly use the equipment (how to pitch a tent or how to use a mantel in a lantern, for example).*

*Fees include cleaning fees, late fees, and replacement fees. All gear must be checked in by a Wellness and Recreation staff member. All gear will be inspected by an OAP staff member within 24 hours of return to the OAP office to assess fees for damages and cleanliness. Renters will be informed of any damage/cleaning/late fees within 48 hours via email. Renter will have an additional 24 hours to pay assessed fees at the OAP office after which time the renter will be suspended from any gear rental or fitness center use until fees are paid. Renters will also be suspended from gear rental or fitness center use if gear is late until that gear is returned. A \$10 cleaning fee will be assessed for anything not deemed "normal" wear and tear. Damages will be assessed uniquely to each item depending on the item and the severity of the damage. A late fee of 5% of the equipment's replacement cost will be assessed for EACH day that the equipment is late. Equipment may be rented at any time during the week for use through the upcoming weekend or break. ALL rented equipment is due back by the close of the fitness center on the second week day after a weekend or a break (i.e. due by Tuesday night after a normal weekend or Spring Break, due by Wednesday night after MLK weekend with Monday off, due by Thursday night after Fall Break with Monday and Tuesday off). A list of replacement costs for every item is available upon request. Late, lost, and damage fees will be invoiced to student accounts approximately 20 days after an item was due back unless the student pays assessed fees in the Wellness and Recreation office.*

*Rentals of Whisper Lite stoves include an empty red fuel container with the rental. Rentals of multi-fuel stoves (that screw on to red pressurized iso-pro/iso-butane fuel canisters) do not come with fuel. It is the responsibility of the renter to supply fuel for all types of stoves. That said, if any students/faculty/staff return/donate fuel to OAP, future renters will have the option to use that fuel at no cost. Only one person may check out each item (even though many may sleep in a tent or use a stove, etc.), and that person is responsible for it, whether they transport it or not. If the equipment goes home in another vehicle than the one renter is in, it is still the renter's responsibility to pay late fees if the equipment is returned late.*

*I, the undersigned, accept equipment as is with the "used" condition, accept full responsibility for care and use of equipment, will be responsible for replacement at full retail value for lost or stolen equipment, agree to reimburse and hold harmless Regis OAP and its members for any loss or damage of any kind (except normal wear and tear), and agree to return the equipment on the agreed upon date clean, dry and in good condition to avoid any additional fees.*
