

Commuter Student Life

September 2012

Meet your Commuter Assistants!

Liz Weaver

Liz is a sophomore studying for the Nursing Program. She is the Rockies biggest fan and her favorite color is purple.

Erin McAleer

Erin is also a sophomore majoring in computer science. She loves to make videos and she is a writing TA. Her favorite color is also purple.

Thomas Wombaker

Thomas is also a sophomore and is thinking about majoring in Biochemistry. He can ride a unicycle and his favorite color is green.

Kenji Tanaka

Kenji is also a sophomore studying biology. He plays the Drums in his band Frailty of the Hero.

Welcome to Regis!

These four Commuter Assistants are very excited to meet each of you and hope to see you in the lounge and at other Commuter Programs throughout the year. We hope that you had a wonderful first week of classes and hopefully didn't get too lost on campus.

Commuter Student Life

Last Weeks BBQ

Thank you to all of you who came and enjoyed some hamburgers, hotdogs, ice cream, and games with the other commuter students this last Friday at the Back to School Commuter BBQ. The Barbeque was a success and it was great to see you all there and get to know you better! Special thanks to Joe Tyndell and Dave Law for cooking and taking care of other details. Look for another BBQ in the spring to close out the year as we began.

Coming up:

* We are planning a bowling night for the 19th of September so mark it on your calendar! More details to come so keep checking in with the Commuters at Regis Facebook page as well as emails sent out by any of your commuter assistants.

Commuter Student Life

RUAlerts:

Sign up for RUAlerts: There are two fairly easy ways to get the notifications. If you go to insite.regis.edu below where you login there is an Emergency Message Sign Up link. If you go to that login with your regis email and signup with a phone number you will get notifications of any emergency on campus as well as weather delays and the like. You can also login to insite first and then sign up, the link is on the far right after you login.
