

# REGIS RISING UNIVERSITY STRATEGIC PLANNING PHASE II

SPRING 2017

## **A DYNAMIC, ONGOING PROCESS FOR REESTABLISHING WHERE WE ARE GOING.**

- 1. Create an intentional culture that serves the vision of a flourishing university. Include Jesuit, Catholic values into all curricular and co-curricular learning.**
- 2. Assure the infusion of Jesuit Catholic values into all curricular and co-curricular learning.**
  - The thinking heart of Jesuit education: strengthening our core for the 21st Century
- 3. Invest in student success through a transformational, holistic experience.**
  - Invest in student access and their learning experience
- 4. Invigorate business education.**
- 5. Invest in computer and information sciences.**
- 6. Promote growth and innovation.**
- 7. Strengthen experiential education for our students.**
- 8. Invest in arts and design that enhance and complement STEM.**
  - Examine opportunities in science, technology, engineering, and math
- 9. Shift to an outward facing focus on international experiences for our students and targeted recruitment of international students.**
  - Explore opportunities in international education and internationalizing our university
- 10. Cultivate community: Engage the community so that we are its health, spiritual, and cultural anchor.**
  - Cultivate health: a unique resident-centered healthy neighborhood
