

# Accounting

Are you a numbers junkie who enjoys math and keeping things organized? All businesses need accounting services and expertise, so a degree in this field can open a vast array of career opportunities for you, including the know-how to start your own company. Go beyond the basics and help businesses in your community find and sustain prosperity.

## Work towards something greater than the bottom line.

Built on a strong foundation of ethical practice, the Bachelor of Science in Accounting at Regis University incorporates the most current technologies and accounting techniques. Our accounting faculty are expert practitioners who provide real-world examples and illustrations that help you grasp complex accounting concepts that can be applied in both the public and private sectors.
