

# Business Administration

In today's competitive global business market, a degree in Business Administration provides you with a solid foundation in business fundamentals, including the application of current management and technical solutions to business problems, and the analytic tools needed for critical thinking and ethical decision-making.

## Redefine business as usual.

Business leaders recognize the impression business has on humanity by considering important questions: Who do businesses serve? How do they contribute to our built environment? What is their impact on local communities? The B.S.B.A. from Regis University provides you with an intimate, hands-on experience with modern business through the lens of targeted specializations.
