

Finance

Whether you like the idea of working for a large corporation or a budding startup, a strong understanding of finance is key. More than just crunching numbers, a degree in finance from Regis University instills a sense of stewardship and responsibility – not just to a company’s bottom line, but to the well-being of local communities and the world.

A degree you can bank on.

Designed to prepare you for positions in both large and small companies in any market or industry, the Bachelor of Science in Finance from Regis focuses on effective financial management, including forecasting and planning, money and banking, financial analysis and managing technologies.
