

Nonprofit Management

Built on a century of ethics and values woven into a curriculum that inspires leadership and social justice, Regis University's nonprofit management course work builds skills for immediate application. Fundraising, governance, community relations and nonprofit laws are core subjects within the program that is consistently recognized for producing top-performing graduates.

Bring your expertise where it's needed most.

As a founding university of nonprofit studies, Regis understands that for you, a career is about more than money or prestige. It's about making a difference. Through unparalleled real-world experience and immersion into the global nonprofit landscape, our graduates are armed with the skills and knowledge necessary to navigate the complex nonprofit system and serve the common good.

Applying Is Easier Than You Think

When you're ready to apply our admissions counselors will help you at every step. You can use the Regis application to apply online, and you may be surprised that we don't require the GMAT or GRE or charge an application fee like many other schools.

Regis University's Master of Nonprofit Management program is accredited by the Nonprofit Academic Centers Council (NACC). This is the highest honor that a nonprofit program can hold and ensures the program is taught from a "nonprofit first" perspective.
