

Criminology

Looking at the big picture of crime as a social phenomenon offers vital insights on the causes and overall impact of criminal behavior. Through a sociological approach, the B.S. in Criminology program at Regis critically analyzes the social, political and environmental factors that drive crime and focuses on promoting positive social change.

Understand the big picture of crime.

A criminology degree from Regis offers a curriculum that critically analyzes the social, political and environmental factors that drive crime. Fully customizable, you'll be able to achieve your aspirations without interrupting your current career with courses offered online, on campus or a combination of both.

Transferring? Bring Your Credits With You.

We believe you should get the credits you deserve. After all, you worked hard for them. Regis University offers one of the most generous transfer credit policies in higher education. We want to keep your education on track, so you keep your career goals within reach. You can transfer up to **78 credit hours** for the Bachelor of Science in Criminology program.

The Flexibility You Need

Our program formats are designed to be flexible and convenient, so you can fit your education into your own schedule. On-campus courses are offered in the evenings to fit around your busy work schedule, and online courses are taught asynchronously, so you can log on whenever works for you.

Applying Is Easier Than You Think

When you're ready to apply, our admissions counselors will help you at every step. You can use the Regis application to apply online, and you may be surprised that we don't charge an application fee like many other schools.
