

Master of Arts

As a Master of Arts student at Regis, you'll focus on ethical and social development through one of six specialization areas. Opportunities for self-reflection, critical and creative thinking, community outreach and service learning are foundational dimensions of the program regardless of specialization.

Specializations

- | **Applied Psychology**
Explore the human mind through psychological theory and application
- | **Communications**
Develop skills immediately applicable in both work and life
- | **Creative Writing**
Analyze the style, form and function of great literary works and apply the principles to your own writing
- | **Environmental Studies**
Examine environmental issues and sustainability solutions
- | **Literature**
Learn the fundamentals of novels, non-fiction, plays and poetry
- | **Religious Studies**
Expand your understanding of how world religions are perceived, expressed and practiced
