

Criminology

Few problems are as important as reducing crime and violence. Criminal motivations and mindsets are complex, and something must be done to decrease the number of violent crimes across the nation. A Master of Science in Criminology will give you the knowledge to deter criminal behavior and the experience to make a real impact.

Learn to understand and prevent criminal behavior.

From criminal justice and law enforcement to corporate security and public policy, criminology careers are wide ranging and constantly growing. The Regis M.S. in Criminology prepares graduates for careers in industries including:

- | Human and Social Services
- | Public Policy
- | Military
- | Security
- | Law Enforcement and Federal Agencies

To learn about financial aid options available, contact the financial aid office at 800.568.8932 or visit regis.edu/financialaid. If you are an active duty military member or veteran, visit regis.edu/preferred-military to learn more.
