

Doctor of Nursing Practice

Health care is complex and rapidly evolving. Today's nurses need a high level of scientific knowledge and practical expertise to deliver safe, effective care. That's why our courses focus not only on technical know-how, but also leadership and policy. The Regis DNP program is aligned with Jesuit values and focuses on serving vulnerable, underserved and diverse populations.

Advance your leadership and clinical practice skills through one of two specializations.

ADVANCED LEADERSHIP IN HEALTH CARE TRACK FOR THOSE WITH A BACKGROUND IN NURSING LEADERSHIP

ADVANCED PRACTICE REGISTERED NURSING TRACK FOR THOSE WITH A BACKGROUND IN ADVANCED NURSING PRACTICE
