Doctor of Pharmacy

The School of Pharmacy delivers a comprehensive education in a contemporary, innovative environment. Our graduates start their careers ahead of their peers thanks to collaborative, active learning that matches actual pharmacy work. With a focus on caring for the whole person, you’ll become a confident patient advocate and principled practitioner of disease management and good health.

APPLICATION MATERIALS

DATES TO REMEMBER
- Application opens: Mid-July
- Early decision deadline: Early September
- Priority deadline: Early January
- Final deadline: Early March

EXPERIENTIAL & SERVICE LEARNING
In addition to classroom instruction, the Pharm.D. curriculum at the Regis University School of Pharmacy has a distinctive experiential program. We provide students with 11 different clinical education opportunities throughout Colorado, as well as nationally and abroad. These hands-on experiences under the guidance of over 800 professional preceptors, provide real world exposure to practice pharmacy first hand. Students will interact and engage with various individuals of diverse demographics and socioeconomic backgrounds, promoting an appreciation for all unique perspectives.
