

# Doctor of Nursing Practice

Health care is complex and rapidly evolving. Today's nurses need a high level of scientific knowledge and practical expertise to deliver safe, effective care. That's why our courses focus not only on technical know-how, but also leadership and policy. The Regis DNP program is aligned with Jesuit values and focuses on serving vulnerable, underserved and diverse populations.

**Advance your leadership and clinical practice skills through one of two specializations.**

**ADVANCED LEADERSHIP IN HEALTH CARE TRACK FOR THOSE WITH A BACKGROUND IN NURSING LEADERSHIP**

**ADVANCED PRACTICE REGISTERED NURSING TRACK FOR THOSE WITH A BACKGROUND IN ADVANCED NURSING PRACTICE**
