

DOCTOR OF PHYSICAL THERAPY DPT

Join the Movement for Greater Health and Well-Being

Physical therapists are movement experts who are focused on improving quality of life through hands-on care, exercise and movement reeducation. With nationally recognized faculty and 38 weeks of clinical experience integrated into the curriculum, the Regis DPT curriculum is cutting-edge, evidence-based and committed to diversity, equity and inclusion, preparing you for the future of the physical therapy profession. Graduates are awarded a Doctor of Physical Therapy (DPT) degree and are eligible to take the National Physical Therapy Exam (NPTE).

Program Overview

Physical therapists provide care to individuals of all ages who have injuries, illnesses or other health-related conditions that limit their movement and ability to perform life activities. In the spirit of the Jesuit mission, Regis University-trained physical therapists provide cura personalis, or care for the whole person.
