

Marriage and Family Therapy

As a graduate marriage and family therapy student at Regis University, you will become skilled at creating therapeutic relationships that foster hope and courage for clients who are striving to live more productive and just lives. Embodying our Jesuit values, you will be a part of a challenging, supportive learning community that promotes a sense of responsibility and willingness to advocate for human justice and social change in the world.

The Flexibility You Need

Our program formats are designed to be flexible and convenient, so you can fit your education into your own schedule. With the exception of practicum and internship hours, on-campus courses are offered in the evenings and/or weekends — designed to fit seamlessly into your day as a busy working professional.
