

Secondary Education

We shape thoughtful leaders who are ready to make an impact on the next generation and help them understand the importance of education to better serve a local and global community. Empower youth to reach a deeper level of learning, acquire state licensure and leave with the confidence to lead a middle or high school classroom.

Make an impact on the next generation.

Designed for those who want to make a difference in the lives of students grades 7-12, our curriculum covers a wide base of topics within the education field, from foundational teaching methods to diversity and inclusion in the classroom. You'll gain a thorough foundation of common and unique teaching pedagogy before teaching in a local classroom for a semester. By graduation, you'll feel confident and capable of leading a middle or high school classroom, and you'll be prepared to take the state licensure exam.

TOTAL: 42 CREDIT HOURS

Content Areas

In addition to the foundational coursework, you will work with your advisor to select a licensure content area that aligns with your bachelor's degree.

Available content areas include:

- | Business
- | English
- | World Languages (French, German or Spanish)
- | Math
- | Science
- | Social Studies

INITIAL LICENSURE

After completing your field hours in a Colorado school, you can apply for licensure in Colorado through the Colorado Department of Education with our recommendation. A total of 800 hours of fieldwork and student teaching are required for licensure, as well as successful completion of the PRAXIS licensing exam.

What you'll need:

TO APPLY

- | Online application
- | Bachelor's degree from a regionally accredited institution
- | Official degree-bearing transcripts
- | Resume
- | Criminal background check

TUITION AND FINANCIAL AID

Tuition for the 2022-2023 academic year:

- | \$572 per credit hour
- | 10% discount offered to paraprofessionals or those with contracted positions within a school

For information on program specific fees visit regis.edu/cost. Tuition and fees are subject to change.

To learn about financial aid options available, contact the financial aid office at 800.568.8932 or visit regis.edu/financialaid. If you are an active duty military member or veteran, visit regis.edu/preferred-military to learn more.

FIELD WORK AND STUDENT TEACHING

Students should expect to complete 200 field hours while completing their course work. Student teaching requires full-time enrollment in the program and must be completed at an accredited institution within the state of Colorado. Regis has over 100 partner schools and will work to pair you with the right grade level in a supportive atmosphere. Students must pass the state-required licensing exam (PRAXIS) before applying to student teaching.

Ready to get started?

Your Regis admissions counselor will work with you one-on-one. We'll help you choose the program that fits your goals, find options that save time and money, and help you through your online application.
