\*\*Bureau of Labor Statistics, pharmacist, 2023

## Program Overview

Whether you choose the 3-year or 4-year track, the end result is the same — you will graduate as a Doctor of Pharmacy from one of the most respected institutions in the country. In addition to preparing you for a meaningful career as a community pharmacist, we can help you launch your career in emergency medicine, pediatrics, veterinary medicine, poison control, medical science or nuclear pharmacy.
