

# Creative Writing Specialization

Character development. Image and sound. Narrative and form. Do the elements of all modes of writing attract you? Dive into the foundations of everything from novels to personal essays by studying others' works and experimenting with new approaches. If you want to learn about the publishing industry, use your writing for social change or discover inspiring works of literature, this specialization is for you.

## Share your words with the world.

As an M.A. student pursuing a specialization in creative writing, you will have the opportunity to examine the style, form and function of great literary works from various periods and places, as you apply these principles to your own craft and develop new strategies for your ongoing writing practice.
