

Environmental Studies Specialization

Address environmental issues and learn how to preserve our planet for future generations through a Master of Arts degree with a specialization in environmental studies. You will establish a well-rounded awareness of the nature of sustainability, unsustainable practices at the global level and a deeper understanding of the interdependence between people, planet and animals.

Defend the natural world.

Explore humanity's rightful place within its bio-physical environment as you examine environmental issues and sustainability solutions from a dynamic interdisciplinary perspective. Drawing on science, philosophy, religion, psychology and communication, you'll prepare yourself to participate more knowingly and meaningfully in effective environmental activism.

What You'll Need

TO APPLY:

- Online application
- Official degree-bearing bachelor's transcript(s) from a regionally-accredited college or university
- Essay
- Resume
- Faculty interview may be required

TUITION AND FEES

Tuition for this program for the 2022-2023 academic year is:

- \$582 per credit hour
- 10% discount for licensed teachers
