FASTFORWARD

The FastForward program at Regis enables you to earn both a bachelor's and master's degree at the same time and get on the fast track to success. Through our dual degree combination options, you can complete both degree programs at a faster pace and a more affordable cost. Learn more at regis.edu/fastforward

Program Overview

In addition to the core curriculum, we offer specializations in interdisciplinary studies, homeland security, management and software development to help you further refine your skills. Career paths available to B.A.S. degree holders are diverse — our graduates have gone on to successful careers in computing and IT, addiction studies, hospitality, criminal justice, emergency management, fire science and much more.
