

Applied Science

Whether your goal is to enhance your professional skills or change careers, the Bachelor of Applied Science degree from Regis University equips you to play a significant role in the strategic success of today's organizations. The degree provides the management, leadership, critical thinking, writing and communication skills necessary to broaden your career horizons.

Relevant in any work environment.

This program is designed for community college students to seamlessly transfer credits from their Associate of Applied Science major into the Regis program. Examples of AAS degrees that qualify for transfer into the Bachelor of Applied Science degree include:

- | Addiction Studies
- | Computing and Information Technology
- | Criminal Justice
- | Emergency Management Planning
- | Fire Science
- | Hotel, Restaurant and Casino Management

To learn about financial aid options available, contact the financial aid office at 800.568.8932 or visit regis.edu/financialaid. If you are an active duty military member or veteran, visit regis.edu/preferred-military to learn more.
