

Applied Psychology

Dive into the science of human behavior and how people cope and thrive in the modern world. At Regis University, you'll study psychological theories and learn to apply them to your own life, taking what you learn to better the world through action.

Explore the human mind.

The applied psychology curriculum covers a broad range of topics within the psychology field, including:

- | Lifespan development
- | Abnormal behavior
- | Positive psychology
- | Stress and well-being
- | Health psychology
- | Forgiveness

For information on program specific fees visit regis.edu/cost. Tuition and fees are subject to change.

To learn about financial aid options available, contact the financial aid office at 800.568.8932 or visit regis.edu/financialaid. If you are an active duty military member or veteran, visit regis.edu/preferred-military to learn more.
