

One Year to a Nursing Career

Do you aspire to become a nurse, but aren't sure if you have the time? The demand for professional nurses around the country has never been higher, and while many people desire the personal rewards of a health care career, the fact is that earning the necessary credentials can be time-consuming. If a nursing career is your ambition, Regis University offers an accelerated nursing program designed to help you reach your goals in the shortest amount of time while still receiving a top-ranked education.

CLINICAL EDUCATION
A minimum of 750 clinical hours will be completed across the Front Range (Ft. Collins to Colorado Springs, and Boulder to Aurora). Clinicals are primarily held Wednesday through Friday. Some rotations are occasionally in the evenings and/or weekends. Clinicals in your last semester can be any day of the week.

Program Overview

Regis University's Accelerated BSN program offers students the opportunity to complete the Bachelor of Science in Nursing degree in one year. Any student who holds a bachelor's degree in a field other than nursing is eligible to apply for this program. You'll gain crucial insights into health promotion and disease prevention through a curriculum that includes both classroom instruction and clinical experiences, including three graduate-level nursing courses.

Example Courses

CORE STUDIES REQUIREMENTS (24 credit hours)¹

Departmental Requirements (31 credit hours)¹

BL 254 Intro to Medical Microbiology

BL 276 Principles of Human Physiology

NR 350 Normal and Therapeutic Nutrition

MAJOR REQUIREMENTS (64 credit hours)

NR 412 Pathophysiology

NR 421 Clinical Reasoning and Judgment

NR 470 Nursing Care of Children and Families

UPPER DIVISION REQUIREMENTS (1 credit hour)

TOTAL: 120 CREDIT HOURS (64 for BSN degree completion)

¹ All prerequisites must be completed prior to starting the program and can be applied as transfer credit from your prior degree.
