BAS Major	48	18	30*
1. In any concentration, 18- 24 transferred credits will be accepted into the lower division major. <i>CCAF transfer above 18 credits will reduce electives accordingly.</i>			
2. Additional transferred credits will be accepted as general electives.			
3. Students will complete 30 credits of upper division coursework in a discipline of student choice as articulated in the final degree plan, which is created in conjunction with a Regis University advisor.			
	48	18	30
<i>Available specializations: Management, Homeland Security, and Interdisciplinary Studies</i>			
Electives	24	15	9*
Any undergraduate non-duplicated courses	24	15	9
Total Credits Required Bachelor of Applied Science: Interdisciplinary Degree	120	60	60

***Notes/Explanations:** Students may choose to complete undergraduate general education courses and electives through CLEP, DANTES, or community college courses. Students will meet with an advisor to select upper-division major coursework that is aligned with the student's career aspirations.
