

2021-2022 Meal Plan Refund Chart

All students residing in University housing are required to purchase a meal plan each semester. All Freshmen and Sophomores living on campus are required to purchase either Meal Plan A or Meal Plan B. All other residential students are required to purchase a minimum of Meal Plan E. Any students living off-campus are NOT required to purchase a meal plan, but may choose to do so. **All those who purchase a meal plan are subject to the deadlines and fees associated with meal plan cancellations.** A meal plan may be purchased or increased at any time during the semester. Flex may also be added to any standing meal plan at any point. Flex money does roll over from Fall semester to Spring Semester, but **all remaining flex is forfeited at the end of Spring term. No refunds are given for remaining flex at the end of the school year.** The deadline to lower or cancel a meal plan is at 5:00 PM on the first Friday of classes each semester. After this deadline, meal plans are nonrefundable unless an exemption to this policy is requested.

Please note, exemption requests for meal plan refunds will only be provided for Authorized Cancellations. Examples of Authorized Cancellations include graduation from the University, transferring to another school, total withdrawal/leave of absence from the University, studying abroad, financial duress, marriage, or approved medical necessity. Unauthorized cancellations will not be released from the meal plan and will be held to the plan charge for the entire semester. An Authorized Cancellation of a meal plan is permitted at the sole discretion of Auxiliary Services.

No refunds are guaranteed after the Meal Plan Deadline and all maintenance fees associated with each meal plan are nonrefundable. If a student wishes to request a meal plan refund for an authorized cancellation, please email Claiborne Willis at cwillis@regis.edu with an explanation of your situation. If granted a refund exemption, students will be charged for the nonrefundable maintenance fee as well as the amount of flex used. All refunds will be based off of unused, remaining flex. **Please understand that if a meal plan is used and then canceled (even if canceled before the deadline), the meal plan is subject to its associated maintenance fee.**
