Fall 2023

- Advance Health Assessment, Pathophysiology and Pharmacology Across the Lifespan, NR606, MS Online option XH01, Assistant Professor.

Spring 2023

- Pathway to Achievement and Student Success (PASS), NR490E, Independent Study, Assistant Professor, newly developed course for off-track students.

Fall 2023

- Pathophysiology, NR412, Traditional option NU01, Assistant Professor.
- Introduction to Managing Health Care of the Adult and Older Adult, NR462, Traditional option NU40, Assistant Professor.

- Transformational Learning Skills for Health Professionals, NR 488M, Traditional option NU10, Assistant Professor.

#### Summer 2023

- Concepts for the Professional Nursing Role, NR400, Traditional option NU03, Assistant Professor.

#### Spring 2023

- Pathophysiology, NR412, Accelerated option AN01, Assistant Professor.

#### Fall 2022

- Pharmacology, NR413, Traditional option NU02, Assistant Professor.

#### Spring 2022

- Pathophysiology, NR412, Accelerated option AN02, Instructor.
- Pharmacology, NR413, Accelerated option AN02, Instructor.

#### Fall 2021

- Pathophysiology, NR412, Traditional option NU02, Instructor.
- Introduction to Managing Health Care of the Adult and Older Adult, NR462, Traditional option NU40, Instructor.

#### Summer 2021

- Pathophysiology, NR412, Accelerated option AN10, Instructor.
- Pharmacology, NR413, Accelerated option AN10, Instructor.

#### Spring 2021

- Introduction to Managing Health Care of the Adult and Older Adult, NR462, Accelerated option AN20, Instructor.
- Pathophysiology, NR412, Accelerated option AN10, Instructor.
- Pharmacology, NR413, Choice option CN01, Instructor.
- Pharmacology, NR413, Accelerated option AN12, Instructor.

#### Fall 2020

- Pathophysiology, NR412, Choice option CN10, Instructor.
- Introduction to Managing Health Care of the Adult and Older Adult, NR462, Traditional option NU41, Instructor.

#### Summer 2020

- Introduction to Managing Health Care of the Adult and Older Adult, NR462, Accelerated option AN20, Instructor.
- Introduction to Managing Health Care of the Adult and Older Adult, NR462, Choice option CN01, Instructor.

#### Spring 2020

- Introduction to Managing Health Care of the Adult and Older Adult, NR462, Accelerated option AN20, Instructor.
- Pathophysiology, NR412, Accelerated option AN10, Instructor.
- Pharmacology II, NR406B, Traditional option NU02, Instructor.
- Pathophysiology, NR412, Choice Option CN02, Instructor.

#### Fall 2019

- Introduction to Managing Health Care of the Adult and Older Adult, NR462, Traditional option NU01, Instructor.
- Pathophysiology, NR412, Choice Option CN01, Instructor.
- Pharmacology II, NR406B, Accelerated option AN10, Instructor.

#### Summer 2019

- Introduction to Managing Health Care of the Adult and Older Adult, NR462, Accelerated option AN20, Instructor.
- Pharmacology I, NR406A, Accelerated option AN20, Instructor.
- Pharmacology II, NR406B, Accelerated option AN11, Instructor.

#### Spring 2019

- Pharmacology I, NR406A, Accelerated option AN21, Instructor.
- Pathophysiology II, NR405B, Traditional option NU02, Instructor.
- Introduction to Managing Health Care of the Adult and Older Adult, NR462, Accelerated option, Instructor.

#### Fall 2018

- Pathophysiology I, NR405A, Traditional option NU01, Instructor.
- Introduction to the Profession of Nursing, NR410, Traditional option, Instructor.

### **Class/Clinical Innovations**

#### **Introduction to Managing Health Care of the Adult and Older Adult**

- As Course Faculty, worked with teaching team for course improvements, including:

  - Interactive case study development to increase student critical thinking
  - Collaborated with Library Sciences for review of APA and library resources for student scholarly writing.
- Updated course master with adoption of new Taylor 9<sup>th</sup> edition for PrepU Mastery quiz preparation for lab and new skills videos, Spring 2019.
- Collaborated with affiliate faculty to continually revise laboratory content and clinical updates.
- Mentor and supervise laboratory and clinical affiliate faculty.
- Update course with new curriculum roll out January 2021
  - Movement of course content to the new Foundations course.
  - Assimilating course content from NR463 into the NR462 curriculum including lab and lecture content.
- Revised learning modules incorporating the clinical judgement model into the lectures, Summer 2022
- Created case studies reflecting the clinical judgement model, Summer 2022

#### **Pathophysiology**

- As Course Faculty, worked collaboratively with the team to implement the following:
  - Examsoft

- Uploading of exams into Examsoft
    - Assisted in completion of tagging questions
    - Collaborated in the revision of exam questions
  - Revision of PowerPoint lectures with the updated textbook Porth 5<sup>th</sup> ed.
  - Movement of course to online during COVID pandemic
    - Created interactive case studies.
    - Assisted in creation of “Jeopardy” game to assist student learning and retention of information.
- As Course Resource Faculty, lead teaching team for course improvements, including:
  - Re-design of NR412 course into a flipped classroom
    - Design content specific review worksheets to improve students understanding of key concepts.
    - Designed critical thinking activities with associated rubrics
    - Designed knowledge checks to assess student readiness with material
  - Revised Content Outline and Syllabus for course and presented changes to Pre-licensure Curriculum Committee for approval.
- Updated course master with adoption of new Huether, S., McCance, K., Brashers, V. (2020) textbook
- Oriented new course faculty to course resources.
- Lead revision of course in revised curriculum.

### **Pharmacology**

- As Course Faculty, working with team members for course improvements, including:
  - Development of learning activity use of herbal remedies in health care
  - Geriatric GI medication teaching activity.
- As Course Faculty, worked collaboratively with the team to implement the following:
  - Examsoft
    - Uploading of exams into Examsoft
    - Assisted in completion of tagging questions
    - Collaborated in the revision of exam questions
