University of Colorado Health, Aurora, CO.

Primary preceptors: Kelly Koon, PharmD., BCACP; Kristin Potthast, PharmD., BCACP

Trinsic Population Health

Trinsic Clinically Integrated Network, Broomfield, CO.

Primary preceptors: Kerri Hogan, PharmD; Julianna K, PharmD; Manny Mooney, PharmD; Valerie Valdiviez, PharmD.

Cardiology

University of Colorado Health Cardiology Clinic, Aurora, CO.

Primary preceptor: Jodi Martinez, PharmD.

Neurology

Marcus Brain Institute

Primary preceptor: Kelsey Schwander, PharmD., CBIS

CU Population Health

Colorado University Medicine Population Health

Primary preceptors: Sarah Billups, PharmD; Nate Lamberton, PharmD.

Academia

University of Colorado Skaggs School of Pharmacy

Primary preceptors: Rhianna Fink, PharmD; Joe Saseen, PharmD.

POSTGRADUATE YEAR ONE COMMUNITY PRACTICE RESIDENCY

University of Colorado and Good Day Pharmacy

2024-2025

ASHP Accredited Program

Academia

University of Colorado Skaggs School of Pharmacy, Aurora, CO.

Primary preceptor: Kelsey Schwander, Pharm D., CBIS

Ambulatory Care

University of Colorado Health Westminster Family Medicine Clinic, Westminster, CO.

University of Colorado Boulder Family Medicine Clinic, Boulder, CO.

Primary preceptor: Sarah Moss, Pharm D., MPH, BCPS, BCACP, BC-ADM

Underserved Ambulatory Care

DAWN Clinic, Aurora, CO.

Primary preceptor: Doug Fish, PharmD.

Transitions of Care

University of Colorado Hospital, Aurora, CO.

Primary preceptor: Lindsey Colyer, Pharm D., BCPS

Community Practice

Good Day Pharmacy, Loveland, CO.

Primary preceptors: Whitney Osborn, Pharm D., Calvin Kliner, Pharm D.

EDUCATION

Butler University College of Pharmacy & Health Sciences **2024**
Indianapolis, IN.
Doctor of Pharmacy

Hanover College **2020**
Hanover, IN.
Bachelor of Arts in Kinesiology and Integrative Physiology

TEACHING AND PRECEPTING

Regis University **2026-present**

PHRM 741 Therapeutic Principles in Self-Care

- Serves as co-course director

PHRM 709 Integrated Pharmacotherapy 9

- Serves as clinical practice faculty teaching various topics within the course

PHRM 710 Integrated Pharmacotherapy 10

- Serves as clinical practice faculty teaching various topics within the course

University of Colorado Skaggs School of Pharmacy **2024-2026**

PHRD 5010 – IPPE Community

- Served as preceptor for IPPE pharmacy students in a community pharmacy setting, providing instruction in patient counseling techniques, leadership development, and foundational pharmacy skills.

PHRD 7905 – AIPPE Ambulatory Care

- Served as preceptor for AIPPE pharmacy students in an ambulatory care setting, providing introductory instruction in chronic disease state management, medication optimization, and drug-information questions.

PHRD 8065 – APPE Ambulatory Care

- Served as a preceptor for APPE pharmacy students in an ambulatory care setting, providing advanced instruction with emphasis on complex chronic disease state management and assisted in developing student's independent clinical decision-making skills.

PHRD 8075 – APPE Community

- Served as preceptor for APPE pharmacy students in a community pharmacy setting, providing advanced instruction in population health initiatives to improve quality measures and assisted in developing student's independent patient counseling and provider interaction skills.

PHRD 5055 – Pharmacy Practice Fundamentals & Drug Information

- Assisted in the coordination and organization of the course, including Canvas course setup, syllabus development, development of grading rubrics, and facilitation of class activities.

PHRD 7055 – Pharmacy Management

- Served as co-faculty for the course, delivering a 50-minute didactic lecture on pharmacy marketing and leading weekly 5-minute “quick topic” reviews.
- Assisted in course organization and coordination, including developing quizzes and exam questions, syllabus management, and grading pharmacy business plan projects with accompanied student presentations.

PHRD 6085 – Pharmacotherapy 2

- Facilitated pharmacy course activities, including patient case reviews on hypertension and hyperlipidemia, hands-on practical skills such as blood pressure measurement, and verbal patient case examinations.

PHRD 7850 – Geriatric Pharmacy

- Anticipate planning and delivering a 60-minute lecture on fall risk in older adults to P3 students, creating associated quizzes and exam questions.

PHRD 7995 – Clinical Capstone

- Anticipate planning and developing a capstone case for P3 pharmacy students covering birth control prescribing, STI management, PEP/PrEP therapy, smoking cessation, acne treatment, and anxiety/depression.

RESEARCH

Huddleston, Haley; Hill, Joseph; Lamberton, Nathan; Billups, Sarah. Evaluation of Pharmacist Billing and Revenue in Hospital-Based Primary Care Clinics. (2025-2026)

- Publication in the Journal of the American Pharmacists Association 2026

Huddleston, Haley; Mass, Hanna; Khodaei, Morteza. Use of local anesthetics in combination with corticosteroids for knee injections: A narrative review. (2025)

- Publication in the Journal of the American Board of Family Medicine 2026

Huddleston, Haley; Martinez, Jodi; Cook, Jerilynn; Trapp, Melissa; Chen, Nai-Chia; Schwander, Kelsey; Moss, Sarah; Palkimas, Surabhi. Assessing the Impact of Pharmacist-led interventions in an Integrative Care Team for Enhancing GLP-1 RA Medication Access and Treatment Outcomes. (2024-2025)

- Publication in the Journal of Managed Care and Specialty Pharmacy 2026

Huddleston, Haley; Gervasio, Jane. Nutrition and Sustainability Education in Healthcare Students: Impact on Attitudes, Behaviors, and the Likelihood of Implementation. (2023-2024)

- Presented a 60-minute guest lecture in an Introduction to Nutrition course on nutrition's role in healthcare for pre-professional students (pre-pharmacy, pre-med, pre-PA, pre-DPT).

Huddleston, Haley; Jacks, Dean. The Effects of Caffeine on Women's Basketball Athletes During Anaerobic Activity. (2020)
