| Program for Improving Mental Health Care (PRIME) Clinic, Longitudinal Audie L. Murphy VA Medical Center Preceptor: Cynthia Gutierrez, PharmD, MS, BCPP <ul style="list-style-type: none">• Provide comprehensive clinical pharmacy services and medication management for psychiatry outpatients with serious mental illness in an ambulatory care setting• Monitor psychiatric conditions and associated therapy, particularly clozapine and injectable long-acting injectable antipsychotics• Coordinate provision of clozapine prescriptions to include reviewing labs, notifying patients of labs, notification of the National Clozapine Committee and ordering of the medication• Participate in interdisciplinary team dynamic | August 2020 – June 2021 |
| Drug Seeking Behavior Committee, Longitudinal South Texas Veterans Health Care System Preceptors: Bryan Sackey PharmD, BCPS, AAHIVP, BCPP; Cynthia Gutierrez, PharmD, MS, BCPP <ul style="list-style-type: none">• Prepare patient presentations for monthly interdisciplinary meetings to review patients with drug seeking behaviors• Continued on next page | August 2020 – June 2021 |

PGY-2 PHARMACY RESIDENCY TRAINING (CONTINUED)

- Continued from previous page
- Participate in interdisciplinary decision-making regarding status of patient record flags and subsequent documentation

-

E-Consult, Longitudinal

August 2020 – June 2021

Audie L. Murphy VA Medical Center

Preceptors: Nicole Cupples, PharmD, BCPS, BCPP; Candace Beam, PharmD, BCPS, BCPP;

Lauren Brown, PharmD, BCPP; Isaac Pan, PharmD, MS, BCPP

- Provide answers and clinical recommendations to a variety of medication management questions from non-psychiatric providers
- Appropriately document consult question, assessment, and recommendations within electronic health record

Substance Abuse Treatment Program (SATP)

June 2021

Audie L. Murphy VA Medical Center

Preceptor: Candace Beam, PharmD, BCPS, BCPP

- Managed psychiatric conditions and substance use disorders through a scope of practice as a prescriber on an interdisciplinary team
- Evaluated and treated a panel of up to 25 patients with substance use disorders and often concomitant mental health diagnoses
- Led patient medication education groups on topics such as rescue naloxone use and cannabis
- Provided drug information and education to healthcare professionals in varying disciplines
- Maximized population health outcomes utilizing VA databases including the Stratification Tool for Opioid Risk Mitigation (STORM) and Opioid Education and Naloxone Distribution (OEND) dashboards

Neurology

May 2021

Audie L. Murphy VA Medical Center

Preceptor: Cassandra Sanchez, PharmD

- Served as the clinical pharmacist for a multidisciplinary neurology consult team
- Made recommendations on medication management of a variety of neurologic illness including epilepsy/seizures, headache, Parkinson's disease, multiple sclerosis and stroke
- Conducted interviews in an outpatient neuroseizure clinic, which involved completing a neurological exam and medication management
- Monitored the medical therapy of the neurology patient considering altered functional state of the patient, goals of therapy, toxicity, drug interactions, patient compliance, and other potential complications of drug therapy

Primary Care Pain Management, Elective

April 2021

Audie L. Murphy VA Medical Center

Preceptor: Ian W. Pace, PharmD, BCPS

- Continued on next page

PGY-2 PHARMACY RESIDENCY TRAINING (CONTINUED)

- Continued from previous page
 - Addressed the biopsychosocial needs of Veterans impacted by the pain pandemic in an ambulatory setting
 - Implemented opioid stewardship efforts
 - Initiated and monitored buprenorphine regimens to treat opioid dependence and chronic pain
 - Attended and presented patients at local pain committee meetings
 - Maximized outcomes on a population health level via utilization of STORM and OEND dashboards Participated in VISN Stepped Care for Opioid Use Train the Trainer (SCOUTT) virtual meetings
- April 2021

Advanced Behavioral Health Interdisciplinary Program (BHIP), Elective

March 2021

North Central Federal VA Clinic

Preceptor: Lindsey Garner, PharmD, MBA, BCPS, BCPP

- Progressed to running clinic independently under scope of preceptor with typical daily workflow including nine follow-up appointments and one intake appointment
- Discussed complex patients with interdisciplinary team consisting of psychiatrists, psychologists, nursing staff and peer support specialist
- Oversaw additional aspects of patient care, e.g. referred patients for additional support, managed transitions of care, and recognizing and responding appropriately to psychiatric emergencies
- Performed these duties in addition to clinical duties in addition to duties performed in traditional BHIP experience (see below)

Geriatric and Extended Care Psychiatry

February 2021

San Antonio State Hospital

Preceptor: Catherine Hall, PharmD, BCPP, BCACP

- Assisted the interdisciplinary team in management of both mental health and general medical conditions in primarily geriatric patients
- Answered drug information questions and psychopharmacology consults
- Updated drug criteria for use and presented work at the State Executive Formulary Committee meeting
- Assisted with chart audits for Pharmacy and Therapeutics committee

Inpatient Psychiatry

November 2020 – January 2021

Audie L. Murphy VA Medical Center

Preceptor: Nicole Cupples, PharmD, BCPS, BCPP

- Served as the medication expert of the interdisciplinary treatment team
- Assisted with rounds, treatment plan, admission medication reconciliation, and discharge planning
- Performed patient intake and daily interviews and assessments
- Devised treatment plan and appropriately documented encounters in the electronic health record
- Provided in-services to psychiatric interns and residents on psychiatric pharmacotherapy

PGY–2 PHARMACY RESIDENCY TRAINING (CONTINUED)

Advanced Outpatient Psychiatry

October 2020

Frank M. Tejada VA Outpatient Clinic, Shavano Park VA Clinic, North Central Federal VA Clinic

Preceptors: Rosana Steavenson, PharmD, BCPS, BCPP; Mina Mehvar, PharmD, BCPP; Bryan Sackey PharmD, BCPS, AAHIVP, BCPP; Matthew Stanley, PharmD, BCPP

- Provided comprehensive psychiatric clinical pharmacy services and medication management in a variety of outpatient settings
- Rotated to a new clinic weekly where rapid adjustments in complexity and demographics of patients required continued adaptation of clinical decision-making skills, time management, and flexibility

Behavioral Health Interdisciplinary Program (BHIP)

September 2020

Kerrville VA Hospital

Preceptor: Lauren Brown, PharmD, BCPP

- Provided psychiatric clinical pharmacy services and management of psychiatric conditions in the outpatient BHIP setting
- Administered comprehensive medication management for complex patients who were treatment resistant, had serious mental illness, or at a high risk of suicide

Primary Care Mental Health Integration (PCMHI)

August 2020

North Central Federal VA Clinic

Preceptor: Raeschell Williams, PharmD, MPH, BCPS, BCPP

- Provided comprehensive clinical pharmacy services and management of psychiatric medications within interdisciplinary teams for outpatients in PCMHI clinic
- Administered comprehensive medication management for patients who typically had uncomplicated anxiety, depression, PTSD, insomnia, or mild alcohol use disorder

PGY–1 PHARMACY RESIDENCY TRAINING

Staffing, Longitudinal

July 2019 – July 2020

Rocky Mountain Regional Medical Center

Preceptor: J. Scott Christoffersen, PharmD, MBA, BCPS

Medical Emergency Management, Longitudinal

July 2019 – July 2020

Rocky Mountain Regional Medical Center

Preceptor: Stacey Rice, PharmD

Home Based Primary Health Care, Longitudinal

July 2019 – July 2020

Rocky Mountain Regional Medical Center

Preceptor: Lesley Langford, PharmD, BCGP

Anticoagulation Clinic, Longitudinal

July 2019 – July 2020

Rocky Mountain Regional Medical Center

Preceptor: Patricia Schoch, PharmD, BCPS
