(303) 964-6402

E: [mbrooks008@regis.edu](mailto:mbrooks008@regis.edu)

LinkedIn: <https://www.linkedin.com/in/marta-brooks>

---

An adept healthcare professional and authentic leader/collaborator with an enthusiastic, emotionally intelligent, results-oriented approach, who is also an effective change management agent. Highly accomplished problem-solver, strategic planner, and marketing/branding communicator with a diverse and notable track record.

### Professional Experience

---

**MJB Consulting, LLC** – Strategic planning and project management support to the nonprofit / healthcare policy sectors.

#### Consultant

Denver, CO (5/19 – Present)

- Facilitated development of most recent strategic plan for Colorado Association of Health Plans
  - Strategic planning and facilitation; mission, vision, and values articulation; establishing common goals
  - Project planning and operational support

**Regis University, Rueckert-Hartman College of Health Professions, School of Pharmacy** – Jesuit Catholic Institution of higher education

#### Chair | Associate Professor, Department of Pharmacy Practice

Denver, CO (11/15 – Present)

- Provide leadership/mentorship in all departmental activities including teaching, scholarship and service
- Advocate on behalf of faculty to the Dean and the Executive Committee regarding departmental or individual faculty needs with respect to space, finances, time, scholarship, and development resources
  - Hired to take on a leaderless (~1 year) department and engage in change management to effectively turn disparate individuals into a functioning department
- Provide strategic direction for pharmacy practice, administrative, and clinical sciences education in the School of Pharmacy (SOP)
- Assist the school in developing and maintaining a curriculum to meet the current and future needs of the profession and the guidelines of the Accreditation Council for Pharmacy Education
- Mentor students regarding nontraditional career paths
- Teaching and scholarly pursuits include leadership, opioid misuse/abuse education and publications
- Liaison for the SOP to the Colorado Consortium for Prescription Drug Abuse Prevention (since 2015); the Board of Pharmacy (since 2017); Colorado Pharmacists Society (since 2021)

**ProEd Communications Inc., An Omnicom Group Inc. Company** – Leading publicly held Healthcare Education and Communications Company servicing the pharmaceutical, device, nutrition, and biotechnology industries

#### President

Beachwood, OH (10/07 – 08/15)

- Responsible for P&L (over \$11.7 million total sales; staff of 65), meeting yearly business objectives, and staff management (resource allocation, training, performance evaluation, mentoring)
  - Achieved 7.8% growth year ending 2013. 7% growth year ending 2012; year over year growth since 2010
- At hire, led effective change management strategy to take a severely morale-depleted and non-collaborative organization to a high-functioning and growing team
- Led a multidisciplinary team of professionals (advanced degree scientists, editors, account and project management, consultants, and finance) across two service lines and three divisions: publication planning/healthcare communications

(staff of 45, revenue: ~\$7.0M) and regulatory communications division (staff of 20, revenue: \$4.7M)

- Within the regulatory division helped lead the FDA Advisory Committee team for Exalgo ER (hydromorphone)
- Develop innovative new products and unique interactive offerings to differentiate organization. Led integrated teams that establish new business processes (continuous quality improvement), advanced a new corporate branding/positioning as well as a new suite of digital/technology communication solutions
- Collaborate with multidisciplinary customer teams (basic research scientists, clinical practitioners, pharmaceutical medical affairs, regulatory, statisticians, access/reimbursement and marketing professionals as appropriate) to develop medical education programs, regulatory communications, and business strategy for multiple compounds

**Centeon Management Group companies** – Privately held Healthcare Education and Communications Network servicing the pharmaceutical industry

### Genesis Healthcare

#### President

Bridgewater, NJ (9/04 – 9/07)

### Embryon Inc,

#### Senior Vice President / Department Head, Scientific Affairs

Somerville, NJ (6/97 - 9/04)

Senior Vice President, Account Management  
Vice President / Department Head, Program Management  
Director, Program Development

- At Genesis Healthcare, responsible for P&L (over \$9.0 million total sales; staff of 70), business growth (exceeded forecast by 6% in 2005, 20% in 2006), meeting yearly business objectives, and staff management (resource allocation, training, performance evaluation)
- Member of the Centeon Executive Board responsible for guiding corporate vision, managing cross-company business structure and business development.
- Asked to take over Scientific Affairs department and drive it to the strategic and scientific entity desired by owners. Results included:
  - Creation of three lines functions: editorial management, desktop publishing, information resource center
  - Grew the staff by ≈500% (7→34) overseeing \$2.4 million in manpower with a high retention rate
  - Increased publication planning capabilities and business by 3-fold
- Actively drive strategic and tactical enhancements of a proprietary publication planning database with web interface as well as manage development and execution of multi-indication publication plans.
- Successfully built the program management department including: recruitment, hiring, and management of ten personnel with 100% retention rate and development of standard operating procedures.

**Health Learning Systems (HLSCORP)**, a WPP Company – Publicly held Medical Education and Communications Company servicing the pharmaceutical industry

#### Vice President, Professional Relations

Little Falls, NJ (1/96 - 6/97)

- Selected Highlights include:
  - Spearheaded strategic planning and directed medical education content and sales training teams for a unique product launch: Intelligent Quisine™ (a nutrition therapy intervention program developed by Campbell Soup Company).
    - Activities included creation of educational and promotional materials that directly met the strategic needs of the client.
    - Led team of five to successful launch of product in Ohio test markets
  - Directed medical education pre-launch activities for a novel anti-obesity agent: Meridia®

**Applied Clinical Communications, Inc.** – Privately held Healthcare Education and Communications Company servicing the pharmaceutical industry

#### Associate Medical Director

Parsippany, NJ (8/93 – 1/96)

Assistant Medical Director  
Medical Associate

- Built a progressive career path with this full-service medical education and communications company, with **responsibility for scientific integrity and technical accuracy** within the planning and execution of medical education and communication programs. Continuing Education administrator for ACPE-accredited programs.

### Additional Professional Experience

Community/hospital/clinical pharmacist in Connecticut, Virginia, Texas, and New Jersey (6/87-8/96)

### Academic Degrees and Post-Graduate Training

---

#### Regis University, Denver, CO

Course work in the Masters of Nonprofit Management program including Financial Resource Development, Program Development and Accountability

#### The University of Florida, Gainesville, FL

Master of Science in Pharmaceutical Outcomes & Policy, Pharmacy Regulation & Policy concentration

#### The Audie L. Murphy Memorial Veterans' Hospital/The University of Texas Health Science Center, San Antonio, TX

Postdoctoral Nutritional Support Clinical Pharmacy Resident and Clinical Instructor, College of Pharmacy (PGY2)

- Provided nutrition support consulting as a clinical pharmacist member of a multidisciplinary team.
- Teaching included continuing education seminars to faculty, postdoctoral and doctoral students; clinical and didactic instruction of doctorate and B.S. pharmacy students; and pharmacotherapy lectures to staff physicians.

#### The University of Texas at Austin / Health Science Center, San Antonio, TX

Doctor of Pharmacy

#### Virginia Commonwealth University Health System (formerly Medical College of Virginia Hospitals), Richmond, VA

American Society of Health-System Pharmacy Accredited General Hospital Pharmacy Residency (PGY1)

#### The University of Connecticut, Storrs, CT

Bachelor of Science in Pharmacy  
Bachelor of Science in Nutritional Sciences

## Teaching Responsibilities

---

### ***Didactic: Spring 2016 – Spring 2021***

PHRM 601 – Introduction to Pharmaceutical Industry: From Bench to Bedside, Instructor and Course Director (Elective-3 credit3), Spring 2021

PHRM 702 – Integrated Pharmacotherapy 2, Instructor (4 credits)

- Obesity – 4 hours

PHRM 707 – Integrated Pharmacotherapy 7, Instructor (4 credits)

- Osteoarthritis – 2 hours

PHRM 722 – Diabetes Mellitus and Blood Glucometers, Instructor (1 credit)

PHRM 725 – Professional Development 1, Instructor and Course Director (1 credit)

- Journal Club – 10 hours
- Giving and receiving feedback – 2 hours
- Clinical vs Statistical Significance – 2 hours
- Seminar – 8 hours
  - Samuel, Tudor, Adeyiga, 2020
  - Sophia DiGiambattista, 2020
  - Melissa Daigle, 2019
  - Gurkirat Singh, 2019
  - Zac Borgen, 2018
  - Shweta Shetty, 2018
  - Ian McVickar, 2017
  - Amin Zahoui, 2017

PHRM 726 – Professional Development 2, Instructor and Course Director (1 credit)

- Seminar – 10 hours
- IPE Case discussions – 2 .5 hours

PHARM 730 – Pharmacy and the US Healthcare System, Instructor and Course Director (3 credits), Spring 2021 only

- Health Care Delivery in America: Historical and Policy Perspectives, 3 hours
- Drug Use, the Supply Chain, and the Role of the Pharmaceutical Industry, 3 hours
- Patient Protection & the Affordable Care Act, 3 hours

PHRM 732 – Leadership and Management, Instructor (3 credits)

- Basic Accounting – 3 hours
- Justifying and Planning Patient Care Services – 3 hours
- Emotional Intelligence – 3 hours
- Authentic and Mindful Leadership – 3 hours
- Communicating with Patients and Co-workers – 3 hours

PHRM 743 – Faith, Spirituality & Culture in Health Care, Instructor (3 credits)

- Race and healthcare: implicit racial/ethnic bias – 2.5 hours
- Addiction with a focus on the Opioid epidemic – 2.5 hours

PHRM 772 – Drugs of Abuse, Instructor (3 credits)

- Opioid Misuse, Abuse, and Overdose – 3 hours

PHRM 775 – Pharmacogenomics (3 credits)

- Ethical, legal, and social issues related to pharmacogenomics – 3 hours

PHRM 790 – Directed Study Series-Industry Pharmacy and Research; student: Marjohn Azizy, P3 (2 credits)

PHRM 797 – Introduction to Pharmaceutical Industry: From Bench to Bedside, Instructor and Course Director (Elective-1 credit)

SOAP Notes – threaded through out P1-P3 years; Instructor – 4 hours

IHCE 742 DH40 and IHCE 709 DP41 – Interprofessional Health Care Ethics Courses-Foundations of Professional Character and Ethical Practice, Instructor (3 credits)

**Experiential: Summer 2019/Fall 2019/Spring 2020**

PHRM 763-7 – Advanced Pharmacy Practice Experience VII, Instructor (6 credits)

- Chris Fortey, P4, Class of 2021
- Kristina Royzman, Class of 2021
- Zac Borgen, P4, Class of 2020
- Elizabeth Daugherty, P4, Class of 2020

PHRM 755 – Introductory Pharmacy Practice Experience, Instructor (2 credits)

- Annette Najera, P3, Class of 2023
- Evan Sanchez, P2, Class of 2023
- Philip Salazar, P3, Class of 2022
- Samantha Louanglath, P3, Class of 2022
- Chris Fortey, P3, Class of 2021
- Aaron Payne, P3, Class of 2021
