EDUCATION

Master of Arts: Curriculum & Instruction, United States International University, San Diego, CA/
London, UK. May, 1990.

Bachelor of Arts with Honors: Elementary Education, University of Wyoming, Laramie, WY, May, 1987.

PROFESSIONAL EXPERIENCE

2014-Present

**Assistant Professor/Program Coordinator, Undergraduate Elementary
Teacher Licensure Programs, Regis University, Denver, Colorado.**

- Curriculum design, development, revision, and evaluation for all undergraduate teacher education courses to include policy, perspectives, cultural diversity, methods, research, and capstone project.
- Develop and maintain revision and evaluation schedules for all undergraduate teacher education courses (accreditation, standards alignment).
- Recruit, screen, and interview potential undergraduate potential candidates for teacher education programs.

**Field Placement Coordinator and Student Teaching Supervisor, Office of
Clinical Practice**

- Collaborate with office to screen and place student teacher candidates in metropolitan schools and districts.
- Provide focused support, coaching and interventions for teacher education candidates during student teaching semester.
- Develop and support remediation and professional growth plans for identified teacher education candidates.
- Conduct observations of teacher education candidates using university-designed rubric for mid-term and final evaluations.
- Assess final teacher candidate unit plans to recommend graduation and Colorado state teacher licensure.
- Participate in weekly meetings with Director of Office of Clinical Practice to collaboratively plan new student orientation, Praxis and PLACE test preparation, update field placement database and best practices associated with field observations and support.
