

CURRICULUM VITAE

Cameron W. MacDonald, PT, DPT

School of Physical Therapy
Rueckert-Hartman College for Health Professions
Regis University

Education:

2016-21	University of Newcastle, Newcastle, NSW, Australia <u>Doctor of Philosophy (Physiotherapy)</u> – commenced 8-2016, candidate 8-18
2004-6	Regis University, Denver, CO <u>Fellowship Orthopedic Manual PT</u>
2002-5	Regis University, Denver, CO <u>Doctor of Physical Therapy</u>
1991-4	University of Sydney, Sydney Australia <u>Bachelor Applied Science – Physiotherapy</u> , Sydney University, Australia

Licensure Information:

Colorado – Licensed #7716 current through 10-31-2020

Certifications:

Orthopaedic - #5237 (through June 30th 2022)
Geriatric - #5579 (through June 30th 2022)
FAAOMPT - #482 (through December 31st 2026)

Employment and Positions Held:

Academic Positions

Assistant Professor, Regis University, School of Physical Therapy, Denver, CO (2016-present)
Affiliate Faculty Instructor, Regis University, School of Physical Therapy, Denver, CO (2006-16) n
Director Regis University Fellowship Orthopaedic Manual Physical Therapy. (2010-13, 16-present)

Non-Academic Experience

Physical Therapist, Colorado Sports & Spine Centers, Colorado Springs, CO (2002-2017)
Physical Therapist, CMR/CMT, Colorado Springs, CO (2002).
Traveling Physical Therapist, Gratiot Community Hospital, Alma MI (2001).
Physical Therapist, Cypress Manor Health Rehabilitation Center (CMH&RC), Hancock MI (2001).
Contract Physical Therapist, Keweenaw Home Nursing & Superior Home Nursing, MI (2000).
Rehab Director, Physical Therapist, Paragon Rehabilitation, Hancock, MI (1998-2000).
Physical Therapist, Interim Therapy Services, Contracted to Hancock, MI (1995-1998)
Physical Therapist, Port Kembla Hospital, Wollongong, Australia (1994-1995).

Submitted presentations

Albin SR, **MacDonald CW**, Koppenhaver SL, Phippen S, Ngo D, Pineda R, Cappocia S, Wendlandt A, Hoffman LR. **Dry Needling Effects on Gastrocnemius Muscle Stiffness in Individuals with Latent Trigger Points.** Poster Presentation, 2019 Combined Sections Meeting. Submitted 4/9/19.

MacDonald CW, Elliott J, Walton D. Assessment and Management of Whiplash Associated Disorder - a Comprehensive Approach. Pre-conference two-day course, Combined Sections Meeting 2020, submitted 3/20/19.

MacDonald CW. Redefining our Heritage - The roots of manual therapy uncovered. Breakout Presentation. AAOMPT Annual Conference, Orlando FL 2019, submitted 2/28/19.

Peer Reviewed Scientific and Professional Presentations:

MacDonald CW. The genesis of manipulative practice in the United States – a cross professional exploration. Conference on Mechanical Medicine: Exploring the History of Healing by Exercise, Manipulation and Massage. London, UK, May 2019.

MacDonald CW. Identifying the basis of manual therapy for the physiotherapy, chiropractic, medical and osteopathic professions. Platform Presentation, 2019 URSC Annual Research and Scholarship Symposium.

Hoffman, LR, Albin, SR, **MacDonald, CW**, Koppenhaver, SL, Phippen, S, Ngo, D, Pineda, R, Cappocia, S, Wendlandt, A. **Dry Needling Effects on Gastrocnemius Muscle Stiffness in Individuals with Latent Trigger Points – An Interim Analysis.** Poster Presentation, 2019 URSC Annual Research and Scholarship Symposium.

Sara Hourihan, **MacDonald CW.** Combining manual therapy and vestibular therapy in the diagnosis of a patient with multifactorial dizziness: Platform Presentation. AAOMPT 2018 Conference, Reno NV, Poster Presentation. November 9th, 2018.

Smith M, Footer C, **MacDonald CW**, Smith A. **Establishing our brand for today's applicant – A DPT interview process.** Education Leadership Conference. October 15th, 2017. Columbus OH.

Pugliese M, **MacDonald CW.** **The use of manual therapy and joint position training in an individual presenting with low back pain and a lateral shift: A case report.** Platform Presentation: *AAOMPT Conference*, Oct 17-18th, 2017 Salt Lake City, UT.

Drenning R, **MacDonald CW.** **An impairment-based approach to address thoracolumbar junction syndrome with resolution of presenting visceral symptoms: A case report.** Platform Presentation: *AAOMPT Conference*, Oct 17-18th, 2017 Salt Lake City, UT.

Schroedter B, **MacDonald CW.** **Management of chronic auditory sequelae and associated facial impairments with a multi-modal approach in orthopaedic manual physical therapy (OMPT).** Platform Presentation: *AAOMPT Conference*, Oct 17-18th, 2017 Salt Lake City, UT.

Swink T, **MacDonald CW.** **Dry needling for a patient with acute low back pain satisfying the clinical prediction rule for manipulation: A case report.** Platform Presentation: *AAOMPT Conference*, Oct 17-18th, 2017 Salt Lake City, UT.

Stone E, **MacDonald CW.** **Identification and treatment of a lateral femoral cutaneous nerve entrapment in a 36-year-old female presenting with persistent anterolateral hip pain: A case report.** Platform Presentation: *AAOMPT Conference*, Oct 17-18th, 2017 Salt Lake City, UT.

MacDonald CW, Mirza S, Smith MB. **Manual Therapy in the Aging Population**. Educational Session. Combined Sections Meeting APTA, 2017, San Antonio TX.

Recent Poster Presentations:

Knighton A, **MacDonald CW**. Adapting regional interdependence to address movement system impairments of the thoracic cage, diaphragm, and phrenic nerve to resolve shoulder pain in a competitive cyclist: a case report. AAOMPT 2018 Conference, Reno NV, Poster Presentation. November 9th, 2018.

MacDonald CW, Dommerholt J, Burkhart B. Scar tissue manipulation with adapted dry needling to address chronic motion impairment: A case report. AAOMPT 2018 Conference, Reno NV, Poster Presentation. November 9th, 2018.

Trauber E, **MacDonald CW**. Conservative management of an individual with femoral acetabular impingement syndrome using an impairment-based approach and a regional interdependence model: a case report. AAOMPT 2018 Conference, Reno NV, Poster Presentation. November 9th, 2018.

Probert E, **Hammerich A**, **MacDonald CW**. The Use of Dry Needling as an Early Intervention for Gluteus Medius Weakness in a Patient Following Hip Arthroscopy for Femoral Osteochondroplasty and Labral Repair: A Case Report. AAOMPT 2018 Conference, Reno NV, Poster Presentation. November 9th, 2018.

Harpp J, **MacDonald CW**. A progressive regional interdependence approach in the management of posterior shoulder pain in an elite climber. AAOMPT 2018 Conference, Reno NV, Poster Presentation. November 9th, 2018.

McCole K, **MacDonald CW**. The use of intramuscular electric stimulation to hip lateral rotators and extensors in a patient with patellofemoral pain syndrome after initial failed localized treatment: a case report. AAOMPT 2018 Conference, Reno NV, Poster Presentation. November 9th, 2018.

Bertch M, **MacDonald CW**. Management of an inversion ankle sprain: a case report incorporating external evidence into clinical reasoning. AAOMPT 2018 Conference, Reno NV, Poster Presentation. November 9th, 2018.

Smith P, **MacDonald CW**. The use of manual therapy, pain neuroscience education, and exercise management in an individual presenting with neck and jaw pain following Rhytidectomy with Platysmaplasty: A case report. AAOMPT 2018 Conference, Reno NV, Poster Presentation. November 9th, 2018.

Russo W, **MacDonald CW**. Neurodynamic Interventions and Functional Exercise for the Management of a Patient with Juvenile Rheumatoid Arthritis: a case report. AAOMPT 2018 Conference, Reno NV, Poster Presentation. November 9th, 2018.

Aquino R, **MacDonald CW**. **Management of persistent post-rotator cuff repair stiffness with combination of impairment-based manual therapy approach, and individualized exercise and home management program. Case study.** Poster Presentation: *AAOMPT 2017 Conference*, October 17th. Salt Lake City, UT.

Biland J, MacDonald CW. **Management of a patient with multiple sclerosis presenting with neck pain, shoulder pain and upper extremity weakness in the presence of altered cervical spine proprioception: A case report.** Poster Presentation: *AAOMPT 2017 Conference*, October 17th. Salt Lake City, UT.

Brachman D, MacDonald CW. **Considerations in management of a patient with Ehlers Danlos syndrome undergoing sequential bilateral total knee arthroplasty: A case study.** (*AAOMPT 2017 First Place lower extremity*). Poster Presentation: *AAOMPT 2017 Conference*, October 17th. Salt Lake City, UT.

Wahl B, MacDonald CW. **Effectiveness of dry needling within an OMPT approach for myofascial trigger points in hips following sexual assault trauma: A case report.** Poster Presentation: *AAOMPT 2017 Conference*, October 17th, Salt Lake City, UT.

Weber T, MacDonald CW. **Regional interdependence and impairment-based considerations in the treatment of plantar heel pain: A case report.** Poster Presentation: *AAOMPT 2017 Conference*, October 17th, Salt Lake City, UT.

Weber T, MacDonald CW. **Emergent referral of a streptococcus infection presenting with thoracic strain: A case report.** Poster Presentation: *AAOMPT 2017 Conference*, October 17th, Salt Lake City, UT.

Van Voorst D, MacDonald CW. **Management of patients with neck pain and cervicogenic headaches with targeted manual therapy and exercise instruction. A case series.** Poster Presentation: *AAOMPT 2017 Conference*, October 17th, Salt Lake City, UT.

Busemeyer T, MacDonald CW. **Failed conservative management of accessory navicular syndrome in a high school female athlete: a case report.** *Fall Conference APTA CO*, October 6th, Keystone, CO.

MacDonald CW, O'Reilly S. **Dynamic clinical decision making in a patient centered model – case example in pediatric orthopaedic manual therapy.** *IFOMPT 2016 conference*, July 8th, Glasgow, Scotland UK.

Boyd S, MacDonald CW. **The addition of motor control exercise for the hip, with avoidance of ankle/foot compensations, as part of an impairment-based approach for recurrent low back pain in a high school football athlete: A case report.** Poster Presentation: *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Boyd S, MacDonald CW. **A multi-model approach including manual therapy, dry needling, and exercise for the management of trochanteric pain syndrome: A case report.** Poster Presentation: *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Goldstein D, MacDonald CW. **Management of a patient with acute low back pain using the treatment based classification model and trigger point dry needling.** Poster Presentation: *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Grillo A, MacDonald CW. **Orthopedic manual therapy in the treatment of acute onset upper extremity nerve entrapment following a mammogram: A case report.** Poster Presentation: *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Johns, C, MacDonald CW. **Case study report: An orthopaedic manual physical therapy approach for treating low back pain in a patient with Marfan syndrome.** Poster Presentation: *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Kelley E, MacDonald CW. **An integrative orthopaedic manual physical therapy approach for treating a patient with persistent ankle pain: A case study report.** *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Mali A, MacDonald CW. **Accelerated recovery from chronic low back pain, with the addition of pelvic floor strengthening, for a patient partially meeting the criteria of lumbar stabilization in a treatment based classification approach for low back pain management.** *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Myers B, MacDonald CW. **Impairment based management of insidious unilateral foot drop with unknown cause: A case report.** *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Pegram C, MacDonald CW. **Management of greater trochanteric pain syndrome utilizing a regional interdependence OMT approach with functional exercise: A case study report.** *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Singh T, MacDonald CW. **Multimodal approach to treat idiopathic heel pain: A case report.** *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Tyler S, MacDonald CW. **A multi-modal approach to rehabilitation post a sacral resection due to sacral chordoma: A case report.** *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Young S, MacDonald CW. **Successful management of a patient with neck and left shoulder pain presenting with combined musculoskeletal and neurological impairments.** *AAOMPT 2016 Conference*, October 28th, St Louis MO.

Teaching of Continuing Education and Conferences:

2004 – February	<u>Lab Instructor</u> - with Dr Timothy Flynn, OCS FAAOMPT - High Velocity thrust for the treatment of cervical headaches
2004 – February	<u>Instructor/Presenter</u> - Mobilization Hip for OA
2004 – March	<u>Lab Instructor</u> , assistant to Dr Timothy Flynn, OCS FAAOMPT – Lumbo-pelvic & Hip Mobilization & Manipulation
2004 – April	<u>Lab Instructor</u> , assistant to Dr Timothy Flynn, OCS FAAOMPT - CO APTA Conference, Chronic LBP, Manipulation
2005 – May	<u>Instructor/Presenter</u> – Mobilization of the shoulder
2005 – October	<u>AAOMPT Platform presentation</u> - “Clinical outcomes following manual physical therapy for hip OA: A case series.”
2005 – November	<u>Community presentation</u> – PT considerations for the mature skier.
2006 – March	<u>Lab Instructor</u> – APTA CO Conference. Manual PT for TMJ and upper cervical dysfunction. Presented with Joel Rauser PT MPT CFC.
2006 – March	<u>Presenter</u> - Manual PT for Shoulder RTC and Sub-acromial Impingement, Course for SE APTA CO.

2006 - May	<u>Presenter</u> – Manual PT post TKA, emphasis hip/pelvic treatment.
2006 – Fall	<u>Instructor</u> - tDPT online & weekend intensive Cervico-Thoracic Management (8 wks)
2006 – August	<u>Instructor</u> - Rehabilitation of the adolescent thrower.
2006 – October	<u>Instructor</u> – Management of Upper Cervical Spine and TMJ with Joel Rasuer PT MTC CFC
2006 – December	<u>Instructor</u> – Evidence Based Interventions for the Cervical and Thoracic Spine with John Childs PT PhD OCS FAAOMPT
2006 – December	<u>Community presentation</u> – PT and hip/knee osteoarthritis.
2007 – Winter	<u>Instructor</u> – tDPT online & weekend intensive Lower Extremity Management (8wks) Regis University
2007 – Feb	<u>Instructor</u> – Evidence Based Interventions for the Upper Extremity with Joshua Cleland PT DPT PhD OCS FAAOMPT
2007 – Spring	<u>Instructor</u> – tDPT online Advanced Clinical Decision Making – research applications, writing and development for Doctoral students. 34 trials.
2007 – March	<u>Lab Instructor</u> – Manual PT for the Lumbar Spine and Pelvis, Weekend Intensive with Timothy Flynn PT PhD OCS FAAOMPT
2007 – Aug – Oct	<u>Instructor</u> – tDPT online Upper Extremity Manual PT management
2007 – September	<u>Instructor</u> – 2 day course EBP Cervico-Thoracic Orthopedic Manual PT management with EIM
2007 – October	<u>Instructor</u> – Evidence based interventions for management of Lumbar Spine Stenosis, spinal, pelvic and hip manual PT and exercises.
2008	<u>Instructor</u> – Geriatric Orthopedic Manual Therapy with considerations for LSS and osteoporosis (with Julie Whitman)
2008	<u>Instructor</u> – Upper Extremity, Lower Extremity and Lumbo-Pelvic OMPT management Courses – Regis
2008/10-18	<u>Examiner</u> – Fellowship Practicum Exams – AAOMPT conference/Regis
2008-15	<u>Instructor</u> – Online Virtual Rounds for Fellowship (Regis OMPT)
2009	<u>Instructor</u> – Upper Extremity, Lower Extremity, Cervico-Thoracic and Lumbo-Pelvic OMPT 8-week management Courses – Regis
2010	<u>Instructor</u> – Lower Extremity, Lumbo-pelvic and weekend intensive of Upper Extremity OMPT Management course 8 weeks
2010 - March	<u>Instructor</u> – APTA CO Spring symposium – conservative and post-surgical management of acetabular labral tears and hip impairments

2010/11/12 - Fall	<u>Instructor</u> – Graduate level DPT Advanced manipulation course
2011 – February	<u>Presenter</u> – CSM: Graduate outcomes with Fellowship training
2011 – June	<u>Presenter</u> – APTA Lecture on “Aging Joints” with Hammerich/Little
2011 - 13	<u>Instructor &/or Fellowship Instructor</u> – Upper Extremity, Lower Extremity, Cervico-Thoracic and Lumbo-Pelvic OMPT 8-week
2012 – April	<u>Instructor</u> – PT management of hip impairments, SE APTA
2012 – June	<u>Instructor</u> – CES Biomechanics APTA conference series with Tom McPoil & Chris Powers for the lower extremity
2012 – June	<u>Presenter</u> – DC planning transition expert panel at APTA national.
2012 – October	<u>Presenter</u> – IFOMPT Hip labral Impairments, PT management
2013 – June	<u>Presenter</u> – TRIA orthopedic conference Hip and Knee OA interventions
2013 – October	<u>Instructor</u> – Italy – Hip management course
2013 – October	<u>Presenter</u> – AAOMPT conference – History of Manual PT
2014 – May	<u>Instructor</u> – Craig Spinal Injury Hospital – UE management with manual therapy interventions.
2014 – July	<u>Presenter/Instructor</u> – Hip/pelvic management intra-articular. CSSC, CO.
2014 – Aug/Sept	<u>Instructor</u> – UE management course Fellowship in Manual Therapy
2014 – November	<u>Instructor</u> – Knee and Hip arthroplasty rehabilitation - Italy
2014 – November	<u>Presenter/Instructor</u> – Practice management for overseas Physiotherapist and hip management interventions in Sydney and Newcastle, Australia
2014 – November	<u>Presenter/Instructor</u> – Hip Management course & PTA course CO
2015 – January	<u>Instructor</u> – Direct Access management Hip and Shoulder – Michigan
2015 – March	<u>Assistant</u> – Cervical management course – Mintken/Bade
2015 – May	<u>Instructor</u> – Management of the shoulder two-day course – Hawaii
2015 – June	<u>Presenter</u> – APTA NEXT conference – Management of intra-articular hip impairments, recorded also for online course
2015 – Aug/Sept	<u>Instructor</u> – UE management course Fellowship in Manual Therapy
2015 - October	<u>Presenter</u> – Diagnosis and Prognosis through intervention. AAOMPT conference.
2015 – October	<u>Presenter</u> – Clinical pearls and quick tricks for OMPT –AAOMPT conference.
2016 – Jan/Feb	<u>Instructor</u> – LE management course Fellowship in Manual Therapy

2016 – April	<u>Instructor</u> – UE select manual therapy & exercise, Montrose, CO.
2016 – May	<u>Instructor</u> – Hip select manual therapy & exercise, Maui, Hawaii.
2016 – October	<u>Presenter</u> - MacDonald CW. Understanding the foundations of manual therapy across professions to enlighten the future of OMPT. Education session AAOMPT
2016 – November	<u>Instructor</u> – Lumbo-pelvic manual therapy & exercise, Montrose, CO.
2017 – February	<u>Presenter</u> – Manual Therapy in the Aging Population, Combined Sections Meeting APTA, San Antonio TX.
2017 – March	<u>Instructor</u> – Lumbo-pelvic and Hip Management for SCI, TBI and neuro complex patients. Craig Hospital, CO.
2017 – April	<u>Instructor</u> – Cervico-thoracic manual therapy & exercise, Montrose, CO.
2017 – September	<u>Instructor</u> – Manual therapy for the older adult. Full day course, New Mexico Fall Conference APTA, Albuquerque, NM.
2017 – October	<u>Instructor</u> – Lower extremity manual therapy & exercise, Montrose, CO.
2018 – May	<u>Instructor</u> – Management of the cervico-thoracic spine. Maui, CO. Venture Physical Therapy.
2018 – June	<u>Instructor</u> – Management of upper extremity impairments. Bureau of Prisons, Denver, CO.

Funded/In Review Grant Activity:

MacDonald CW. Identifying the basis of manual therapy for the physiotherapy, chiropractic, medical and osteopathic professions: Is there a common genesis from 19th century Northern Europe? Author.
\$4000.
URSC, Regis University 2018.

Current/Active Research Activity:

MacDonald CW. *Identifying the basis of manual therapy for the physiotherapy, chiropractic, medical and osteopathic professions: Is there a common genesis from 19th century Northern Europe?*
Doctor of Philosophy, Scholarship Funded, 2016-21.
University of Newcastle, Australia.

Membership in Scientific/Professional Organizations:

American Academy of Orthopaedic Manual Physical Therapists (AAOMPT). (2006-present)
American Physical Therapy Association (1998-present). Currently Orthopaedic, Geriatric and Health Policy Academy member. (2002 Ortho & Geri, 2016 HPA – present)

Consultative and Advisory Positions Held:

APTA representative 2008-19	ACOEM Hip Panel, consultant Low Back Pain
Panel of Experts 2006	National PT Examination Expert panel with FSBPT
Panel of Experts 2007-8	Geriatric Specialist Exam – appointed but did not serve
AAOMPT Panel 2006/17	Description of Advance Practice in Manual Physical Therapy
Expert Witness	Colorado Alternate Defense Counsel
2005-7	MERIC IRB Board for Research into Orthopedics
2006-11,16-21	Delegate SE District APTA, APTA House of Delegates
2011-15	Chief Delegate CO APTA
2010-21	CO APTA Board of Directors
2013-20	President Program Director Special Interest Group AAOMPT
2015-21	President Colorado Chapter APTA

Community Service:

1995-2018	Presented to multiple community groups of exercise and aging, falls prevention, community health & wellness, managing degenerative joint disease, successful aging. Also spoke at elementary schools and middle schools on health and wellness and the profession of Physical Therapy.
2016-18	Nine Health Fair – Denver (Heritage and Denver Indian Center)
2016-18	Project Homeless – Denver Convention Center

Services to the University/College/School on Committees/Councils/Commissions:

School of Physical Therapy

2016	Admissions committee
2016-present	Chair post-professional committee
2017-present	Committee for Residency Development
Chair	Post-Professional Education Regis University School Physical Therapy
Member	Strategic Planning Review School PT, Residency Development
Director	Orthopaedic Manual Therapy Fellowship, Reaccreditation 17-18 pending
Developer	Sunset Task Force PT Practice Act Colorado 2017-18

Honors and Awards:

2005	<u>Excellence in Leadership in PT – Regis University 2005</u>
2006	<u>George J. Davies & James A. Gould Excellence in Clinical Inquiry 2006</u> – for research published as a case series or similar format in JOSPT. MacDonald et al hip case series.
2006	<u>Excellence in Research Award, American Academy of Orthopaedic Manual Physical Therapists 2006</u> - J Cleland, P Glynn, J Whitman, S Eberhart, Cameron MacDonald & J Childs

- 2009 Bob Doctor Service Award 2009 – Service award for outstanding service to the Colorado chapter of the APTA.
- 2008 Jack Walker Award – Best Article in Clinical Practice Published in 2007 in Physical Therapy - The Short-Term Effects of Thrust versus Non-Thrust Manipulation Directed at the Thoracic Spine in Patients with Neck Pain. Cleland, Glynn, Whitman, Eberhart, MacDonald, Childs.

Current Teaching Responsibilities in the Entry-Level Program for Academic Year of Site Visit:

DPT 731	Differential Diagnosis
DPT 733	Management of musculo-skeletal disorders I (lower extremity)
DPT 734	Management of musculo-skeletal disorders II (pelvis and trunk)
DPT 735	Management of musculo-skeletal disorders III (cervical/upper extremity)
DPT 780/1	Advanced Manipulation in PT practice

Fellowship in Orthopaedic Manual Physical Therapy

DPT 745T	Management of Lower Extremity disorders
DPT 746T	Management of Upper Extremity disorders
DPT 790T	Clinical practicum
DPT 784/785/786T	Virtual rounds
