

## PROFESSIONAL MASTER OF BUSINESS ADMINISTRATION DEGREE PROGRAM

The Regis Professional MBA is an intensive, accelerated and integrated learning experience that prepares professionals to lead in a changing, global marketplace. The program is designed to build management and leadership skills that allow individuals who aspire to make a difference within and across an organization based on a strategic, integrated perspective of rigorous business practices. Students will apply leadership techniques, strategic management philosophies and tools to problem solving in a variety of industries and settings. The program prepares students to be lifelong learners through the understanding and application of marketing, finance, and strategy to drive decisions, considering the global components of a situation, and incorporating ethical perspectives/implications and Jesuit Principles into all project activities.
