

BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION DEGREE PROGRAM

This program provides the foundational knowledge and practices needed to succeed in business management. Our experienced faculty instruct students on current business and economic trends, theories and skills necessary in today's competitive global business market. Students develop the knowledge, skills and attitudes that prepare them to solve challenging problems creatively, ethically and effectively. Our graduates work in for-profit and nonprofit organizations ranging in size from small business and entrepreneurial ventures to international corporations.
