

## INFORMATION ASSURANCE POLICY MANAGEMENT GRADUATE CERTIFICATE

Learn how to plan for physical security breaches, disaster recovery, implementation of enterprise and architecture security systems, risk management, and auditing best practices with a Graduate Certificate in Information Assurance (IA) Policy Management. In this program you will explore ways to address various policies and procedures needed in order to implement a solid security strategy. Regis University is designated as a Center of Academic Excellence in Information Assurance Education by the National Security Agency, and the IA Policy Management curriculum is modeled on guidelines and recommendations provided by the Committee on National Security Systems (CNSS) 4000 training standards, (ISC)2 Ten Domains of Knowledge, ISACA and NIST workforce development standard.
